SKILLS TRAINING

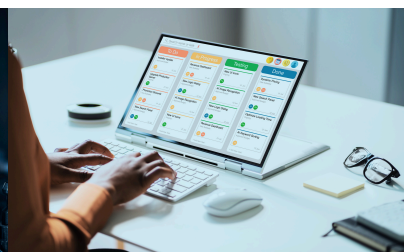

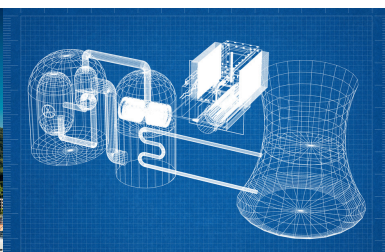

## NUCLEAR PROJECT MANAGEMENT SKILLS BOOTCAMPS CHESHIRE & WARRINGTON

- ✓ Gain a Level 4 APM Project Fundamentals Qualification (PFQ) recognised by employers.
- ✓ Learn project management in a nuclear context, not just theory.
- ✓ Gain practical skills with CPA, PERT, BPMN and Gantt tools.
- ✓ Career support with CVs, interviews and employer connections.
- ✓ Study remotely with tutor led sessions and structured self study

Free or Subsidised Accredited Training

### Who are the Skills Bootcamps for?

- People with Level 2 or 3 ready to step into project delivery.
- Employers upskilling staff into sub project manager roles.
- Candidates aiming for roles on civil nuclear projects with recognised accreditation.

**GAIN IN-DEMAND SKILLS THAT POWER NUCLEAR CAREERS & PROGRESS**

# Bridging the Skills Gap in Nuclear Project Delivery

A focused Level 4 programme aligned with The Association for Project Management (APM) BoK 8th edition that builds the practical skills, language and confidence needed to deliver projects in regulated nuclear settings

## What the course covers

### Introduction to Nuclear and Project Management

What projects are, the PM role, how the UK nuclear sector is regulated and where the jobs are.

### Life Cycles and Planning

Linear and agile life cycles, scope, stage boundaries and the project management plan.

### Risk and Stakeholders

Risk and issue management, change control, stakeholder engagement, conflict resolution

### Controls and Performance

Budgeting, cost, schedule control, resource planning, reporting, baselining and forecasting

### Data and AI

Using data and AI for planning, risk, reporting, quality management and data analytics

### Sustainability and Systems Thinking

ESG considerations and systems approaches to delivery, with clear environmental and social impacts

### Career Prep and PFQ Readiness

CV building, LinkedIn, mock interviews and exam, plus CIAG, tailored feedback.

### PFQ Exam and Employer Links

Exam, interviews with partner organisations and feedback, job application guidance .

## Funding

Employed? Your employer usually funds.  
Employer? A heavily subsidised and valuable investment.
