

Event Safety Management Skills Bootcamp

The Event Safety Management Skills Bootcamp is tailored for individuals aiming to embark on careers in event safety roles within a variety of dynamic environments, including stadiums, crowded places, festivals, and more. Through this programme, candidates will acquire the essential knowledge and qualifications needed to excel in ensuring the safety and well-being of event attendees and staff. Participants will learn the intricacies of event safety planning, risk assessment, crowd management, and emergency response, equipping them to oversee and manage safety protocols in diverse event settings. If you aspire to contribute to the safety and success of events in stadiums, crowded venues, or festivals, this programme provides the ideal pathway to enter the exciting world of event safety management.

Course Contents

Upon completion of this 14 – 16 week programme, you will receive the following qualification:

- Level 4 Diploma in Spectator Safety Management

Delivery & Assessment

To complete this Skills Bootcamp programme, you will need to attend an NGTC training centre. Some elements of the training may be completed through our Virtual Learning Environment. You will undertake a series of theoretical and practical assessments with your courses tutor whilst building a professional portfolio of evidence. If you are currently working within a security management role, your tutor/assessor may visit you in your place of work. If you are currently seeking employment, NGTC will provide a practical work placement to complete this course

For candidates seeking employment, you will also be guaranteed an interview with one of our employers.

Entry Requirements

To be eligible to undertake the training, candidates must be able to evidence the following

- Candidates must be 19 years or older
- Undertake our online basic English assessments achieving appropriate results
- Other eligibility requirements may apply – please check our website for further details on funding
- Candidates are requested to submit a full professional portfolio for review by our team prior to being admitted onto the programme
